## Workshop Overview

### Health and Safety Rep Initial Training

Provides Health & Safety Representatives with the knowledge and skills to execute their duties and responsibilities in the workplace. Includes unit standard 29315.

### Health and Safety Incident Investigation

Enhances the knowledge and skills gained during the Initial Training and develops the personal and written skills required to conduct a formal Incident/Accident Investigation. This course is ideal for Health & Safety Representatives, Team Leaders, Supervisors and Managers.

### Health and Safety for Managers

An extensive overview of the Health & Safety at Work Act 2015. Provides Directors, Managers and Co-ordinators with the key knowledge required to successfully manage a Health & Safety system, create a positive safety culture and provide engagement and participation opportunities for workers.

### Health and Safety Rep: Essential Skills

Strengthen your knowledge and apply it in real-world situations. Worker engagement, communication, and leadership. An interactive session perfect for both new and experienced Health & Safety Representatives.

All public workshops include: FREE onsite parking, refreshments & lunch, electronic certificate on completion.

NOTE: Health and Safety Courses can also be conducted at your premises or online. Price on Application.

Information effective as of 1 January 2026.
